

# Study NT International Student Awards

## Nomination form – Study NT International Alumni of the Year

### Overview

The Study NT International Student Awards is an initiative of the Northern Territory (NT) Government to celebrate outstanding international students and alumni in the NT. These prestigious awards provide an opportunity to showcase and acknowledge impressive international students and alumni, as well as the local businesses that employ and mentor international students.

Study NT promotes international education and training by working with education providers, businesses and the local community to welcome international students to achieve academic success and discover new pathways to their future.

In 2024, there are four categories available for nomination:

**1. Study NT International Student of the Year**

Recognises an international student who provides exceptional peer support, actively engages with the NT community, demonstrates outstanding academic achievements, and acts as a role model for other international students in the NT.

**2. Study NT International Student Volunteer of the Year**

Recognises a student's involvement in and contribution to the NT community, highlighting their personal growth and outcomes.

**3. Study NT International Alumni of the Year**

Recognises the career and personal achievements of a former international student who has graduated from an international education provider in the NT.

**4. Study NT International Student Employer of the Year**

Nominated by a current international student or graduate, this award recognises a business in the NT that employs international students or graduates in casual, part-time or full-time employment.

## Nominate for the International Alumni of the Year Award

### Eligibility:

This Award is open to international alumni who:

- have completed studies with a provider of Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) in the NT (including NT schools; Vocational Education and Training (VET); English Language Intensive Courses for Overseas Students (ELICOS); higher education; or non-award courses) or completed the Navitas Professional Program
- have previously held a valid student visa (subclass 500) while studying in Australia
- are at least eighteen (18) years of age
- reside in the NT.

### Why nominate:

The Awards are a fantastic opportunity to celebrate NT international students and alumni and showcase their achievements to the broader community.

The winner of the **International Alumni of the Year Award** will receive \$1,000 in prize money, an official certificate of achievement and trophy at the **2024 Study NT International Student Awards Ceremony** held in November. Finalists and the winner will be promoted locally, nationally and internationally.

### Selection criteria for the Study NT International Alumni of the Year Award:

Nominations must include details and a supporting statement by the education provider.

The nominee should be able to demonstrate:

- **Career achievements (50%)**
  - significant achievements or progression in the nominee's career in Australia
  - entrepreneurial or innovative endeavours at a local or international level
- **Community contribution (30%)**
  - activities that contribute and connect to the NT community and promote the NT as a study and work destination for international students and alumni
- **Academic excellence (20%)**
  - how the nominee's studies supported their career goals and achievements

We have added some tips in the nomination form to help you answer the selection criteria.

2. Nominations must be submitted by 5pm ACST, 25 September 2024. No extension will be granted.
3. Nominators need to have consent from the nominee before submitting a nomination.
4. A selection panel comprising community, government and international education industry representatives will assess nominations to determine finalists and the Award winner.
5. All nominees may be subject to reference checking.
6. All nominators and education providers endorsing nominations agree they can be contacted for reference checks.
7. Nominators can provide up to two attachments (in addition to CV and education provider statement) of supporting documentation (e.g. photos or certificates).
8. The nominee acknowledges and agrees that Study NT will:
  - a) collect, hold, use and disclose the nominee's personal information in order to coordinate and conduct the Award
  - b) use the nominee's personal information for future promotional and marketing purposes regarding Study NT's activities including contacting the nominee via any contact details provided by the nominee without further reference or compensation to the nominee. If the nominee does not wish to receive future marketing information from Study NT, the nominee may request not to receive further promotional or marketing communications from Study NT at any time by contacting Study NT or by unsubscribing from the mailing list at the time of receiving any promotional material.
9. Any collection, storage or use by Study NT of any personal information provided by a nominee will be subject to the provisions of the Information Act 2002 and Information Privacy Principles while the personal information is in the possession of Study NT. For more information about how Study NT manages personal information, please refer to the applicable Privacy Policy available at: <https://northernterritory.com/find-out-more/privacy>.
