

Study NT International Student Awards

Nomination form – Study NT International Student Employer of the Year

Overview

The Study NT International Student Awards is an initiative of the Northern Territory (NT) Government to celebrate outstanding international students and alumni in the NT. These prestigious awards provide an opportunity to showcase and acknowledge impressive international students and alumni, as well as the local businesses that employ and mentor international students.

Study NT promotes international education and training by working with education providers, businesses and the local community to welcome international students to achieve academic success and discover new pathways to their future.

In 2024, there are four categories available for nomination:

1. Study NT International Student of the Year

Recognises an international student who provides exceptional peer support, actively engages with the NT community, demonstrates outstanding academic achievements, and acts as a role model for other international students in the NT.

2. Study NT International Student Volunteer of the Year

Recognises a student's involvement and contribution to the NT community, highlighting their personal growth and outcomes.

3. Study NT International Alumni of the Year

Recognises the career and personal achievements of a former international student who has graduated from an international education provider in the NT.

4. Study NT International Student Employer of the Year

Nominated by a current international student or graduate, this award recognises an employer in the NT that employs international students or graduates at a casual, part-time or full-time capacity.

Nominate for the International Student Employer of the Year

Eligibility

This Award will recognise a NT registered business that is currently employing or has employed an international student on a student visa or a temporary work visa over the past 12 months.

The below criteria must apply to the nominating international student, who is or was employed by the business:

- studying or have studied with a provider of Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) in the NT (including NT schools; Vocational Education and Training (VET); English Language Intensive Courses for Overseas Students (ELICOS); higher education; or non-award courses) or the Navitas Professional Program.
- is or was on a student visa or a temporary work visa during their employment at the nominated business.

Why nominate?

International students and alumni are encouraged to nominate an employer that employs international students, mentors them and supports their career goals. This is an opportunity to recognise both the contributions of international students in the local workforce and the business community.

The business that receives this Award will receive an official certificate of achievement at the **2024 Study NT International Student Awards Ceremony** held in November, and be recognised as an employer of choice for international students.

Finalists and the overall winner will be promoted locally, nationally and internationally.

Selection criteria for the Study NT International Student Employer of the Year Award

Nominations must be submitted by a current international student or graduate.

The nominee should be able to demonstrate:

- activities / examples of how the employer has supported (an) international student(s) over the past 12 months **(80%)**
- the advocacy the nominee has provided for international students studying in the NT **(20%)**
